

LAVENDER

One Plant, Endless Possibilities

Lavender Association
of Western Colorado

PRODUCTS, PLANTS, CLASSES, WELLNESS, DECOR & MORE

Are you a lavender lover?

Prized for its perfume, medicinal properties and beautiful color, lavender has been one of the most popular herbs for centuries. Lavender is well suited for western Colorado's climate and lean soils, making growing it easy and enjoyable.

Uses of lavender include: fresh and dried bundles and flower arrangements, essential oils and hydrosols, fine handcrafted decorative arts, an accent in food and beverages, health/body care items - lotions, soaps, mists, pillows, potpourri and sachets.

Our members are an excellent source for all things lavender, as well as classes on cooking, cultivation, art, aromatherapy and more; seasonal farm tours and U-pick opportunities.

Schedule of events - see you there!

LAWC Christmas Craft & Food Fair • December 4, 2010

Community Room, Mesa County Fairgrounds, 10am - 4pm

Colorado Lavender Festival • July 16-17, 2011

Celebrate lavender! Booths, food, seminars, demonstrations, speakers, farm tours and more; info: coloradolavender.org.

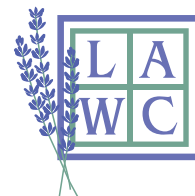

Learn more - join our Association

Become a part of a rapidly growing network of lavender lovers. Our cooperative group allows you to gain inside knowledge and research from experienced farmers, marketing professionals, master gardeners and researchers including the CSU Extension - Tri River Area.

Learn how to grow lavender, create and sell lavender products, and benefit from its medicinal properties.

Our monthly meetings are free and open to the public. Check our website, coloradolavender.org, for the next meeting date and other related LAWAC news, events and information.
